Portugal - Lisbon/Algarve Tour | 16 nights, 6 games

Welcome

Portugal is a beautiful country with great food and wine, lovely locals and some very good golf courses. Those in the know regularly say that Portugal has some of the finest golf courses in Western Europe.

Upon arrival make your way to Penha Longa resort heading west from the airport. This will be your base for the next five nights where you will enjoy two games of golf and visit some of the local sites including the most Western part of Continental Europe - Cabo de Roca and the medieval city of Sintra.

Heading south you will make your way to the peninsula city of Troia – best accessible by a car ferry and home for the next two nights. The Troia golf course is a pleasure to play with the Robert Trent-Jones course playing its way through a pine plantation with water views.

The Algarve region of Portugal is very well known and as you continue south you will reach the seaside town of Palmares, your base for the next three nights. One game of golf and plenty of sightseeing options abound with favourable weather almost guaranteed.

Driving further along the coast of the Algarve Peninsula you will reach the Dona Filipa Resort, your base for four nights. Your package includes a game at the highly rated San Lorenzo Golf Club which has previously been rated in the World's Top 100 courses. The night time ambience and vibrancy is particularly prevalent here with a choice of many restaurants in a town centre location and its absolute beachside location is also of appeal. You will really unwind here and whether you want to do nothing or do lots – it is up to you!

Upon checkout you will drive 3hrs north back to Lisbon where you will stay in the Porto Bay Liberdale 5 star hotel well located close to the sights of Lisbon. This wonderfully cosmopolitan capital city of Portugal is laid out over varying terrain with cobbled streets, vibrant daytime activity, engaging restaurants and beautiful food. The locals are welcoming and friendly.

And so ends your time in this beautiful and often underrated country. We are certain you will want to come back.
