## Itinerary Day-by-Day

Own Arrangements

**Oaks WRAP on Southbank** (4 nights | 2 bed apartments | Breakfast included)

A 10-minute walk from National Gallery of Victoria, this all-apartment hotel set in a striking contemporary building is also 13 minutes' walk from Sea Life Melbourne Aquarium and 1 km from Melbourne Convention and Exhibition Centre.

### Monday, 24 June 2024

**Kingston Heath Golf Club** (18 holes of golf with pull buggy)

Kingston Heath Golf Club is universally regarded as one of the best manicured courses in Australia and arguably the world. Its strategic bunkering and clever use of dips and hollows fools the non observant golfer and any deviation from the fairway is generally met with a challenging recovery. The course was built on a compact parcel of land resulting in some of the best short par 4's and world class par 3 holes.

### Tuesday, 25 June 2024

**Yarra Yarra Golf Club** (18 holes of golf with pull buggy)

The architect of this renowned Sandbelt course was Alex Russell who, in 1926, formed a partnership with the famed Dr Alister MacKenzie during his visit to Australia. Today, the course remains substantially the same as the original layout and like all great golf courses, has stood the test of time. The superb greens and bunkers are the highlight at Yarra Yarra and as good as many of MacKenzie's own creations. Typically large, fast and undulating, the greens feature some of the most extreme slopes in Melbourne, while the bunkers are constructed to blend naturally with their surrounds and are intrinsic to the strategy of each hole. The course has been the scene of many major tournaments in its history, leading to world-wide recognition by amateurs and professionals alike.
